I have read the above fees and understand the cost of my care with my treating doctor. I understand that I am responsible for payment of all services and products provided to me on the date they are rendered. I understand that Atlas Chiropractic does not file insurance claims with major medical insurance companies. I understand that if a check or debit is returned for insufficient funds, I may be charged a \$25.00 service charge. **I have read and fully understand the above financial terms and prices.**
